

# INDIA ACADEMIA RANKINGS 2025

**R**  
World Institutional  
**RANKING** 

The India Academia Rankings is a comprehensive ranking framework to gauge the Research Excellence (RE) and Employability and Startup Ecosystem Rankings (ESER) of HEIs. Research Excellence Rankings (RER) is a conceptual framework to present industry-benchmarks and help establish institutional - reputational yardsticks, with inclusive parameters of research-outputs, research-impact and research-ecosystem. HEIs, not offering PG programs aren't eligible for RER. Employability and Startup Ecosystem Rankings (ESER) exclusively focuses on Students' Achievement(s) in terms of their Placements, Entrepreneurship, Startups and other revenue-generation success models, supported by the initiatives of the respective HEI.

The India Academia Rankings are more than an exercise in numbers. They are a statement of vision for the future of Indian higher education. By combining research excellence with employability and entrepreneurship, the framework ensures that Indian HEIs are recognized for their full impact on society, economy, and global knowledge networks.

With the Triple Certification Advantage, institutions gain multi-layered recognition that reinforces trust and enhances visibility. Students benefit by choosing institutions aligned with future opportunities. Recruiters and industry gain a reliable map of campuses producing skilled, entrepreneurial talent. Policymakers receive insights that help design evidence-based strategies for higher education reform.

As India aspires to become a global hub for knowledge and innovation, the India Academia Rankings stand as a benchmark of accountability, credibility, and inspiration. It is not just a ranking - it is a roadmap for Indian higher education to achieve excellence with impact.

## PLATINUM BAND

- Manipal Academy of Higher Education, MAHE
  - Amrita Vishwa Vidyapeetham, Coimbatore
  - Saveetha Institute of Medical and Technical Sciences
  - Birla Institute of Technology & Science - Pilani
  - Shanmugha Arts Science Technology and Research Academy
  - Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur
  - Homi Bhabha National Institute, Mumbai
  - Mahatma Jyotiba Phule Rohilkhand University Bareilly
  - Central University of Tamil Nadu
  - Kalinga Institute of Social Sciences (KISS) Deemed-to-be-University
-

## Titanium Band

- Vinayaka Mission's Research Foundation
  - MAEER'S MIT Arts Commerce and Science College
  - MIT Academy of Engineering
  - GNIOT Institute of Management Studies(GIMS)
  - Sanjivani College of Pharmaceutical Education and Research
  - Malla Reddy Engineering College for Women -MRECW
  - ICFAI Foundation for Higher Education Bangalore Campus
  - CMR Engineering College, Hyderabad
  - School of Allied Health Science, VMRF-DU
  - MET's Institute of Management, Nashik
  - Chettinad Dental College and Research Institute
  - LEAD College of Management
  - IIMT University
  - J.B. Institute of Engineering & Technology (Autonomous)
  - University of Engineering and Management UEM Jaipur
-

## Titanium Band

- M Kumarasamy College Of Engineering
  - Sri Indu Institute of Engineering and Technology (Autonomous)
  - Dream Institute of Technology
  - Sanjivani College of Pharmaceutical Education and Research
  - Malla Reddy Engineering College for Women -MRECW
  - ICFAI Foundation for Higher Education Bangalore Campus
  - CMR Engineering College, Hyderabad
  - School of Allied Health Science, VMRF-DU
  - MET's Institute of Management, Nashik
  - Chettinad Dental College and Research Institute
  - LEAD College of Management
  - IIMT University
  - J.B. Institute of Engineering & Technology (Autonomous)
  - University of Engineering and Management UEM Jaipur
  - M Kumarasamy College Of Engineering
  - Sri Indu Institute of Engineering and Technology (Autonomous)
  - Dream Institute of Technology
-

## DIAMOND BAND

- J.K.K.Munirajah College of Technology
  - C T University
  - Aarupadai Veedu Institute of Technology
  - Sri Indu College of Engineering & Technology
  - MIT University of Meghalaya
  - St.Peter's Institute of Higher Education and Research
  - Dr.T.Thimmaiah Institute of Technology
  - Vishnu Institute of Technology
  - Kongunadu College of Engineering and Technology  
(Autonomous)
  - Jansons Institute Of Technology
  - Palar Agricultural College
  - Apex University, Jaipur
  - G H Rasoni College of Engineering, Nagpur

R. World Institutional Ranking (R. WIR), envisions to be the foremost independent-and-private authority in providing comprehensive and insightful rankings and research of higher educational institutions in India and abroad. We are dedicated to empowering stakeholders, including students, parents, and colleges, by offering accurate and reliable information that facilitates informed decision-making and promotes excellence in education.

Our primary objective is to undertake detailed research of higher educational institutions, both within India and across international borders. We strive to gather in-depth data on various parameters, including academic quality, research output, faculty expertise, infrastructure, industry collaborations, and student satisfaction. Through our rigorous and unbiased evaluation process, we aim to provide a holistic view of an institution's strengths, weaknesses, and overall performance.

We recognize that stakeholders in the education ecosystem, including students, parents, and colleges, face a myriad of challenges when it comes to choosing the right educational institution. By conducting comprehensive research and analysis, we aim to bridge the information gap and provide clarity amidst the vast array of educational options available.

As an organization rooted in India, we are driven by the ambition to transform the higher education ecosystem not only in our homeland but also globally. We envision a future where students and parents trust our rankings as a definitive guide in their pursuit of academic excellence, and where educational institutions value our recognition as a testament to their commitment to quality education.

Moreover, our vision encompasses a collaborative approach, seeking partnerships with educational institutions, policymakers, and relevant stakeholders to collectively work towards elevating the standards of higher education worldwide. Through these collaborations, we aim to advocate for positive change, create meaningful impact, and contribute to the advancement of society through the power of knowledge.

In essence, R. World Institutional Ranking aspires to be more than just a source of data; it aims to be an agent of transformation, a catalyst for progress, and a beacon of credibility in the ever-evolving landscape of higher education. Our vision is to play a pivotal role in shaping the future of education, where every student finds the right institution to nurture their dreams, every parent finds assurance in their child's educational journey, and every college is inspired to achieve new heights of excellence.
