RANKING

Dear Educators, Students, and Mental Health Advocates,

We are excited to present the third edition of the MHW Rankings 2023, marking two years since our initial launch in 2021. Each year, our mission to identify and celebrate the Best Educational Campuses in India for Mental Health and Wellbeing (MHW) grows stronger, driven by the inspiring progress we see across the nation. This edition highlights the continued dedication and innovative efforts of institutions committed to fostering supportive and nurturing environments for their students, faculty, and staff.

In the past year, we have been particularly impressed by the resilience and creativity demonstrated by educational campuses in their mental health initiatives. The 2023 rankings showcase a diverse range of Institutions that have significantly contributed to the overall wellbeing of their communities. These institutions not only set new benchmarks but also serve as powerful examples for others to follow.

As we release the MHW Rankings 2023, we celebrate the collective achievements and advancements made in mental health and wellbeing within the education sector. We remain hopeful and enthusiastic about the future, as more campuses join this vital movement. Thank you for your ongoing commitment to creating healthier, more supportive educational environments.
